OBJECTIVE / STATEMENT / SUMMARY

A highly motivated first-year B.Tech student in Artificial Intelligence and Machine Learning, currently studying in India under a Presidential Scholarship from Zimbabwe. I possess strong problem-solving skills validated by a *HackerRank certificate* and practical project experience in *e-commerce website development, social network analysis using Python and the Reddit API*, as well as an *AI-Scholarship Finder App* (integrating OpenAI's API). I am eager to contribute to innovative tech projects, conduct impactful research, and expand my technical expertise.

ACADEMIC HISTORY

- **Bachelor of Technology (B.Tech) in Artificial Intelligence and Machine Learning**
  Vishwakarma University, India
  Expected Completion: 2028
  (First Year; Presidential Scholarship recipient)
- **High School Diploma**
  Mvurwi High School , Zimbabwe
  Year of Completion: 2021

AWARDS AND FUNDINGS

- **Presidential Scholarship:** Awarded by the Government of Zimbabwe for outstanding academic performance and leadership potential.
- Other Awards/Fundings: Not Applicable

RESEARCH EXPERIENCE

- **SDG7 Research Presentation Poster (Affordable and Clean Energy)**
  - Event: Corporate Communication Presentation
  - Location: Vishwakarma University
  - Month/Year: April,2025
  - Details: Researched and presented on sustainable practices addressing challenges in achieving affordable and clean energy.
- **Social Network Analysis Project**
  - Project Brief: Collected and analyzed Reddit data using Python to study semi-global triangular social network patterns.
  - Details: Demonstrated data collection, parsing, and analytical skills, contributing to research in social network dynamics.
- Additional Research Experience: Not Applicable

RELEVANT TRAINING

- **HackerRank Certificate in Problem Solving**
  - Issuing Organization: HackerRank
  - Year: 2025
- Other Training: Not Applicable

RELEVANT RESEARCH / TECHNICAL / LABORATORY SKILLS

- **Programming:** Proficient in 8086 microprocessor Assembly language , Python , C++, C,HTML, JS and foundational knowledge in Java.
- **Web Development:** Developed an e-commerce website as a part of a capstone project, handling both front-end design and back-end integration.
- **API Integration:** Built an AI-Scholarship Finder App utilizing the OpenAI API (non-deployed).
- **Data Analysis:** Skilled in data collection, manipulation, and analysis using Python (including working with the Reddit API).

- **Software Tools:** Familiar with Jupyter Notebooks, MATLAB (basics),Visual Studios (expirienced) and industry-standard IDEs.
- Laboratory Skills: Not Applicable at this stage.

PROFESSIONAL MEMBERSHIP
Not Applicable

PUBLICATIONS AND PRESENTATIONS

- **Poster Presentation:** "Sustainable Energy for a Greener Future – SDG7"
  - Presented at: Corporate Communication Presentation, Vishwakarma University
  - Month/Year:April , 2025
  - Details: Outlined challenges and solutions related to achieving sustainable energy.
- Peer-Reviewed Publications: Not Applicable

CONFERENCE PRESENTATION OF POSTERS

Not aplicable

PROFESSIONAL ASSOCIATIONS
Not Applicable

LICENSES AND CERTIFICATIONS

- **HackerRank Certificate in Problem Solving**
- **Infosys Certificate in Traffic Light Systems**
- Additional Licenses/Certifications: Not Applicable

EXTRACURRICULAR ACTIVITIES
Not Applicable (further involvements will be added as they occur)

EMPLOYMENT HISTORY
Employment History: Not Applicable (currently a student)

ADMINISTRATIVE EXPERIENCE
Administrative Experience: Not Applicable

PERSONAL DETAILS
Age: 21
Gender: Male
Date of Birth: 10/10/2003
Languages Known: English and Shona

DECLARATION
I hereby declare that the above information is true to the best of my knowledge and belief.

Place: Kondhwah Kud, Pune, India
Date: 13 April 2025

Signature:
Panashe Kunaka
